Aria Desta Prabu
Mobile Developer Flutter

Bondowoso, Indonesia | +6281225121659 | ariadestaprabu@gmail.com
Github: AriaDesta2083 | **LinkedIn:** aria-desta-prabu | **Instagram:** ariadestap.dev | **Website:** AriaDesta2083.github.io

Objective

As a fresh graduate in Information Technology, I possess strong knowledge in mobile programming and database management. I contributed to an application development project that enhanced system performance by 25%. Prioritizing integrity and discipline, I focus more on skill development rather than pursuing a high salary.

Education

Universitas Jember   **Jember, Jawa Timur**
Bachelor in Infortmation Technology | GPA: 3,52 / 4   *2019 – 2024*

Tugas Akhir: Website Forecasting | Utilized Bank Indonesia PIHPS API | Forecasting with 99% accuracy.

Experience
